- I am already signed-up for Patient Portal and this is the correct email address
- I am already signed-up for Patient Portal but please update my account to the email address above
- No, I do NOT want Patient Portal access at this time

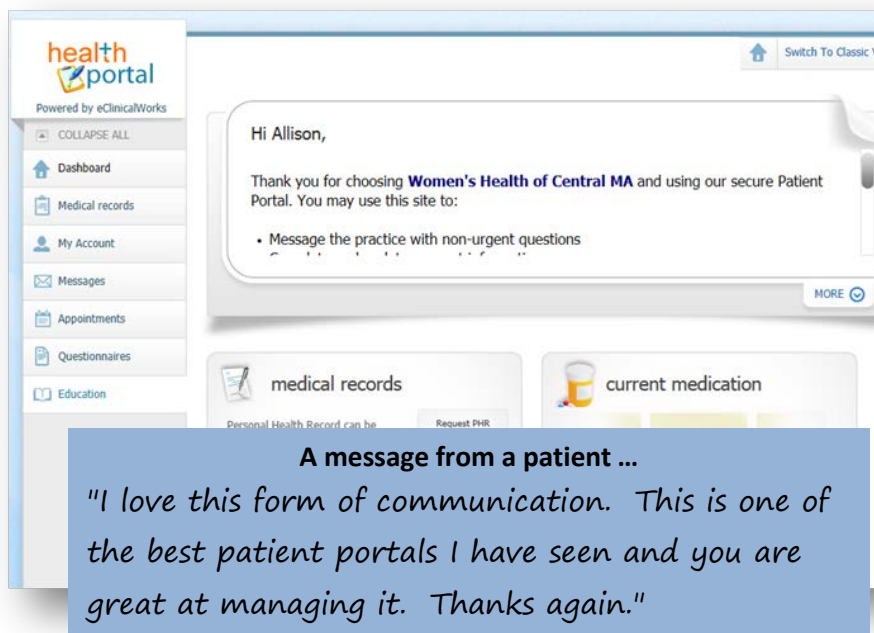

## About Our Patient Portal

**Patient Portal\*** facilitates better communication with our office by providing convenient and secure access from the comfort and privacy of your home or office via your computer.

With Patient Portal, you will have access to:

- . Appointments
- . Lab Results
- . Medication
- . Medical Records
- . Health Education
- . Messages
- . Reminders
- . Billing

To gain access to **Patient Portal** on our secure server and become web-enabled, simply sign-up by providing us with an e-mail address above, check "yes..." and fill in the last 4 digits of your Social Security Number. After signing-up you will be able to securely login with your username and password to gain access to your personal health record and other helpful features from any computer or smartphone with an Internet connection.

**\*Patient Portal is NOT intended for use in EMERGENCIES. If you require urgent or immediate medical care, call 911\***
