

Obstetrical Care

Welcome to WHCMA! We are delighted to care for you during your pregnancy and birth.

We provide services at UMass Memorial Hospital, located at 119 Belmont Street in Worcester.

Our practice consists of both male and female providers - all very experienced, qualified, and

Board-Certified to provide your obstetrical care. We would like to take a moment to explain

our coverage arrangement for your obstetrical care. WHCMA has a team of obstetricians and

a nurse midwife. The obstetricians share night, weekend, weekday, and vacation coverage.

Weekdays, between 8am and 5pm, one of our obstetricians (the "Laborist") remains at UMass

Memorial Hospital to cover deliveries. Resident physicians often assist us and are a

tremendous help in looking after our patients. We look forward to caring for you during your

pregnancy.
